

Great Dames 'MAKE YOUR MARK' EXCHANGE

YOU TOLD US WHAT IS IMPORTANT

Great Dames has engaged hundreds of women in dialogue over the past two years. One of the key themes that has emerged is that women want to make their mark in the world. Successful women think seriously about the impact they are having now and for future generations.

We also heard that it's a lot more fun to do this with other women. We agree.

SO WE MADE IT HAPPEN

We invite you to a special session of the 'Make Your Mark' Exchange on October 11. Feel free to invite a friend or colleague to join you.

This is your opportunity to help:

- Design a community of forward thinking women leaders.
- Connect with other women to share ideas and advice.
- Make an impact on local, regional and national causes.
