

We're still buzzing about our conversation with "**Cool Jane**" **Golden**, who really grabbed us with the story of her "**Life in Murals**." Jane gave us reasons to be more resilient and a little braver about everything we do every day. Now, it's Jamye's turn! **Just a few tickets left** for our **May 5** event, featuring Dining for Women. And, our conversation with Carol Fitzgerald, founder of BreastCare DTS is right around the corner, on **June 2**. Please join us. We always talk about what you care about.
