Mentor an Aspiring Dame!

During the past year, The Muriel E. Gilman Women in Action Mentoring Program has engaged more than 50 women leaders in powerful mentoring relationships focused on enhancing their leadership effectiveness in their personal, professional, and community service lives.

We are now accepting applications for our second community of women, launching in Q1 2013. The program is open to all women in public, private and nonprofit sectors in Delaware with an interest in mentoring or being mentored in areas of leadership development and community impact.

Thank You, Dames!

These pictures say it all. Thanks so much for sharing you stories, your wisdom, and most importantly, for believing in each other. We look forward to continuing to make an impact with you in 2013. You are truly making a difference.

The best is yet to come!
