The Muriel E. Gilman *Women in Action* Mentoring Program

Thank you, Dames, for recommending so many fantastic candidates to join the **2013 Women in Action Community** of Mentees and Mentors. We are so impressed with the caliber of women who have applied to join the community.

Power of One

The energy behind the *Power of One* movement has been so inspiring. We've had an outstanding response since we launched this new initiative. In December, we collected art supplies for [Young@Art](#); in February, we collected several boxes of toiletries for youth in foster care for [Kind to Kids](#); and in March, we referred individuals to get free one-on-one financial coaching through [Stand By Me](#).

To celebrate the *Power of One* in April, we invite you to support the **2013 Great Closet Clean Out** by bringing your new or gently-used, clean career clothing to one of our convenient drop-off locations throughout Delaware.
